

2014 JAPAN DIE CASTING CONGRESS & EXPOSITION

TOYO's INVITATION

First of all, we would like to express our cordial appreciation for your daily patronage and warm supports to us.

Now, we are very pleased to announce that we will be showing our latest fully electric servo-driven Die-casting Machines, the DsF-series, at the coming JAPAN DIE CASTING CONGRESS & EXPOSITION to be held at PACIFICO YOKOHAMA, November 13th through 15th. We will also hold a seminar and a lecture on our latest technology during the term.

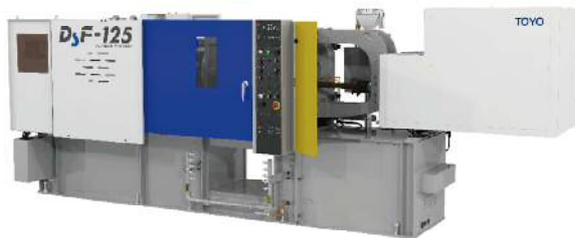

We are more than happy if you could visit us at our stand. We look forward to meeting you at the show.
