

Thank you for joining us at The 11th China International Diecasting Congress & Exhibition.
We appreciate your taking precious time from your busy schedule.
The show was a great success having lots of attendance at our booth.

We wish you continued success and kind supports to us.

The 11th China International Diecasting Congress & Exhibition

Invitation to TOYO Booth

Dear Sirs,

We are very pleased to announce that we will be participating in the upcoming 11th China International Diecasting Congress & Exhibition that is organized by Foundry Institution of Chinese Mechanical Engineering Society.

At the show, you will find the latest die-casting machine among a variety of our lineups.

It is our greatest pleasure if you could visit us and share your precious time with us at the show.

Yours sincerely,

Kazunori Sogame, President & CEO
TOYO MACHINERY & METAL CO., LTD.

TOYO's Exhibit

With renewed die clamping unit and control system based on proven BD-V5 EX series

Latest hydraulic die-casting machine

BD-350V6 EX

Newly developed tie-bar pull-out mechanism and tablet PC-utilized remote operation system show great work performance.

※The exhibited machine will have some options.
