We with you continued success and kind supports to us.

2016 JAPAN DIE CASTING CONGRESS & EXPOSITION

Invitation to Toyo's Exhibits and Seminar

First of all, we would like to express our cordial appreciation for your daily patronage and warm supports to us.

Now, we are very pleased to announce that we will be showing our latest high cycle hydraulic die-casting machine and an electric servo-driven model, and also joining the technical seminar and paper presentation at the 2016 JAPAN DIE CASTING CONGRESS & EXPOSITION to be held at PACIFICO YOKOHAMA, November 24 through 26 .

We are more than happy if you could visit us at our stand. We look forward to meeting you at the show.

TOYO MACHINERY & METAL CO., LTD.

Kazunori Sogame, President & CEO.
