

TOYO's Invitation

March, 2016

Dear Sirs,

On the occasion of PLATEX OSAKA 2016 to be held at INTEX OSAKA, Japan, April 20 through 23, we are very pleased to invite you to the show.

At the show, we will be demonstrating our Electric Servomotor-driven Injection Molding Machine that can be applied to thermoset plastics molding.

It will be our greatest pleasure if we could share your precious time at the show.

Yours sincerely,

Kazunori Sogame, President & CEO
TOYO MACHINERY & METAL CO., LTD.

Exhibit

Thermoset plastic molding *Si-100-6 F200D*

Our standard Electric Injection Molding Machine can be converted to a machine that can handle thermoset plastic molding.
